### The Premises:

A well known place in a pleasant location in central Milton Keynes. The room was spotlessly clean and well presented.

### The Lady:

Her pictures on the website do her justice. Slim, attractive body, pretty face.

### The Story:

I was shown to the room by the maid and was greeted by Sally with a wonderful snog and words of introduction that set me at ease. Once the paperwork was taken care of, we fell into another embrace, that was interrupted only by Sally undressing me. Once naked, Sally offered me a massage, that I opted for. Those lucky enough to have experienced her massage at Ego will know how relaxing and sensuous this is. This massage moved onto a little anal play (after Sally had checked that it was ok). Back to some more snogging and fondling before OWO, then RO. A little breather before cowgirl saw my lack of stamina show itself. More kissing and fondling and a valiant, extended effort to bring about a second round using hand and mouth followed, but to no avail. Throughout the time, Sally was friendly and engaging and seemed very relaxed. An excellent hour.
