Beautiful young girl. Tall and slim with enhanced tits. Looked great.

The Story:

Confident and friendly girl. Quick massage but then I was keen to get my hands on that lovely body. Some kissing, sucked her tits and slipped a finger inside. All very pleasant and I was ready for action. Banged her on her back very nice and soon I exploded into the rubber. A chat and a massage but she was not really interested in round 2 and I could not muster the energy to get us both going so decided to call it a day. A little more passion and she would have been perfect.
