The Lady:

As described before and in line with her profile, gorgeous. Tall, dark brown complexion, looks much younger than her age. Athletic. Shall be forever indebted to OldBlighter for recommending her. God bless the Forum. Good English, been here for a while. Lovely personality.

Bit disorganised. Has other commitments. Works on Brazilian time. Has 3 phones, which she does promise to rationalise. So communication a little haphazard, but by God she is worth it.

The Story:

So to bed. Passionate DFK, extended RO which she seemed to really love. Exquisite oral. Athletic cowgirl. Never got round to proper 69. Was so over-stimulated that had I softened in doggy, so finished by hand with a digit in her bum. This girl offers a physically dynamic service for the fitter gent, without it feeling crudely PSE, more GFE.

Chatted, cuddled, stroked, kissed. Post-coital heaven

Well this is my second report on her and third visit. I have a 3 times and out rule, but may just suspend that for her as she has promised me a special service next time, one that she does not normally offer, and one to which I am rather partial ;)
