The Premises:

No problems finding it and it was clean inside.

The Lady:

A busty girl in her early twenties. Beautiful face and fantastic body. Her hair is amazing too.

The Story:

She didn't do much talking but her body and face compensated for the lack of conversation. She gave me a little oral and then asked if I wanted to get on top. I did mish with her for a bit, then finished in doggy. I wouldn't say Julian was the best sex I have ever had but she did make an effort and I had a good time.
