The Story:

I was hoping to see Morgan (Hollywood) but she had apparently decided not to turn up and so I decided to re-visit the Executive Suite.

I was asked for ?5 before going through the door. On sitting down the girls (five I think) introduced themselves. Ages between 18 and 25 - all shaggable and all Romanian..

I opted for Maria be cause she was (as we say) ?cuddly? and also came in naked having just walked out of the shower. In the room she asked for ?40 and disappeared again. On returning she gave me an impressively firm back massage. I then turned over for an good OW which was equally impressive.

I was hoping that she was start off on top but she explained that she had just shaved and was a little sore. So I started off on top. She seemed tight and responsive and it was over a little quicker than I had hoped.

Maria is a really nice girl ? she was chatty and good at her job. Unfortunately with the fixed (and absurdly low) fee the possibilities are limited but I had a feeling that with a little more financial flexibility she would be a star performer.

Overall, despite the abruptness, I was impressed with the Executive Suite and will definitely be going there again.
