### The Story:

This is the only place I go to now, its about my 12th visit in last 6 months and I am rarely disappointed. The only problem is deciding who to see and whether they will be fully booked when I ring. First time to see Dita and she is wonderful. Could not be more friendly, very sexy girl. Likes to take charge and I liked the fact that she did not leave the room when I paid her and started to immediately undress me. Fantastic OW0, deep FK, and felt wonderfully tight and hot when I entered her. No CIM and no fingers allowed inside btw. About 15 mins left when I had to explode inside her, and so we then had a very nice massage and chat. I later looked at my watch and was surprised there was only 5 mins left. I told her we had better stop, she seemed oblivious to the time and laughed that I was making her stop. A really sweet girl and I am hoping she will be in London more often now. Another to add to the list of ladies there I want to see along with Trinity, Sally, amongst others.
