The Premises:

Flat with 3 other beauties above shops in Chingford. Functional. Horrible entrance.

The Lady:

Platinum blond, orange tan, over made up, belly button jewelry, tattoo of a butterfly above arse and 5fb 2inches. Romanian. Pictures accurate on purple headed website.

The Story:

Service was OK. Fingered arse and pussy. Groaned a bit too much when I licked her pussy. Services not as advertised - hate that. Promised me a good time anyway. I felt like walking out, as felt cheated. She has changed the services offered now. Anyway. OWO, Condom on and inside. Condom off and came all over her body. I had to pull myself off. Her hand job had no rhythm. Not my type really. Though I reckon a nice girl and many would like to go to bed with her and her look. Prepared to go over 30 mins paid, so I came.
