The Story:

back from a break away and as promise to leave a report for the gorgeous Charlie, i found myself staying in Manchester over Christmas and due to average punt in leeds with my normal agency due to lack of kissing even though she advertised herself as a passionate kisser, I decided to give Manchester elite a call, as i got nearer to the apartment i was getting butterflys i knocked on the door Charlie let me in i was really knocked back to how gorgeous she looked in a very tight little black number with stockings and killer heals , Charlie walk right up to me and started to passionately kiss me and she was kissing me like i was her lover for several min god it felt good ,then had a quick shower entered the bedroom where Charlie was waiting for me she gave me more DFK then OWOTC i returned the faver and licked her sweet pussy for several min which she enjoyed, we then had a lot of sex and i finished again in mish,a fantastic girl thank you so much Charlie for making me feel really special
