The Premises:

Heard a lot about Blue Ice. It's a well know establishment in Birmingham. Fairly close to the City Centre but has free parking so no problems there. As expected, from a long running establishment, the place was clean and tidy. Location was discreet too.

The Lady:

Suki is a slim, petite and very pretty, who captured my attention with her beautiful smile. She has a cheerful attitude and her choice of lingerie was excellent as it showed off her ample breasts and lovely bum. She smelt lovely too.

The Story:

Had a wonderful time with Suki. She knows exactly how to make a guy happy. I loved playing with her lovely nipples and using my tongue for a while before it was on with the rubber for some serious fun.

Her attention to cleanliness and hygiene was also good, which is a plus in my books.

It was a very memorable encounter.
