### The Story:

I read the reports and they didn't lie. Elise welcomed me with a deep kiss and then got on her knees to liberate my hardening cock. Wonderful extended OWO was followed by me licking her sweet pussy. I then fingered her pussy and arse together while she teased my cock and balls. She climbed on top of my, now covered, cock and bounced away perfectly. I had intended to finish by means of her hands but once in her doggy style I came in a rush.

Elise was lovely throughout and very friendly and chatty. I gave her a ?10 tip which she richly deserved. Highly recommended.
