The Story:

I was let down by a girl at the last minute and rang around to Maxes and the girls got me Samantha which was a real stroke of luck. She was with me within the hour which restored my faith in escort agencies!

After swapping conversations we got to grips with each other and Sam showed me why she is a very popular gal. Easy to talk to and with she spent a lot of time giving me some serious oral attention, however it may have been me, it may have been her or a combination of both but it was a bit of a frustrating time.

I did enjoy myself but perhaps not as much as I had expected -I didn't feel that Samantha was as good as her reviews suggested-that's not to say that we didn't have a good time because we did but it was just an OK time and to be honest there are better girls out there based on my own experience but thanks anyway Sam!
