The Premises:

awesome place, very comfortable from the first moment on. very convenient location and clean premises. also constantly taken care of during the party (I've never seen the same towel twice in the bathroom)

The Lady:

if I'm not mistaken there were 5 girls partying (all hot) Lisa, Jodi, Francesca, Monika and victoria, I don't want to give comments personally because they were all very sexy, willing and hard working from beginning to the end, I felt they were enjoying themselves at least as much as I was, and that's what matters to me..

The Story:

Fuckin awesome!!!! none else need be said to be honest, It was my first time and I can say it was an experience beyond this planet! monika was the first to approach me, v friendly, w/ lots of kissing and rubbing and an awesome shag, then I went to see the other room to see 4 girls sucking and fucking as many dudes, a view to remember definitely:) I still remember the wonderful image of Jodi:) victoria was my next partner and sucked me soo good, when I was thinking this day can not get any better Lisa lay next to me and presented her magnificent boobs, gee it was awesome! with such a high heart rate for such a long time things may get a little blurry but one thing that is crystal clear is rubbing two pussies at the same time(Francesca& Victoria) while they were sucking other people, tho lovely bums in front of my eyes.. I should also spare some words for lovely Jodi as well.. she was busy sucking someone else but her hips were very welcoming so I started showing some interest and she positioned herself immediately so I could show some more!! then came one of the highlights of the day:)

and a big thanks to the lovely couple Monika and Lisa who blessed me with one last explosion right before the party came to an end.

As I mentioned earlier, there were 5 girls but 6 or 7 guys maybe so I was accompanied by at least 2 ladies most of the time and they were demanding if you know what I mean:)

I told many things, but believe me chaps that's not even 1/3 of what I've experienced!!

a very big thanks to Lady Em, our lovely hostess Barbara and Dwayne.. I'll definitely be back!
