### The Premises:

At least the location is back in business, around the corner from a taxi shop and enter via the red gate. Residents only parking and yet there is some 1 hour parking slots around. I missed this place as you got some nice looking Japanese and sometimes Korean ladies. Only one for the week and then they move on.

### The Lady:

I had Lena today, a woman who looked about 29, 5ft 8", size 10, breasts 34c, long black hair and quite keen. Shame not shaved below.

### The Story:

Did a nice massage on the back to start and soft stroking within thighs and around the balls. turned over and carried on. Sadly no kissing apart from the odd peck. Hit and miss with the girls here as not all do FK. Still nice breasts and up the hilt and we rocked for a while in a few positions. She came and then me. Good punt with a firm solid woman. Hope the company hangs about. She lives after Sunday pm so check her out guys.
