The Premises:

On busy city centre street but didn't feel noticed as ducked in and rang for door to be buzzed open. Formerly Palm Springs but redesigned inside with a row of rooms zigzagging within building. Nice receptionist and both girls smiling as saying hello.

The Lady:

Healthy figure, late 20s, Stephanie made a good impression with her bright manner and handshake though in street clothes and not made up as had just arrived.

She is also Layla at The Pump Birmingham.

The Story:

Shown to room and shower set going at good temp. Stephanie was very straightforward, friendly and real and I said don't bother getting made up and dressed for me as she was fine as she was.

We were soon chatting away like old friends but Stephanie never forgot what she was there for and little naughties kept happening and she made all her body available to me.

So had OW, 69 and sex in positions in a very relaxed and effective atmosphere. Stephanie was fully involved throughout and happy to show she was enjoying herself as I was.

Really good time with a down to earth and very personable lady.
