### The Premises:

A clean, tidy, somewhat anonymous flat. As usual, a rather deserted, city-centre feel, but relatively safe.

### The Lady:

Leila was certainly the lady on the website - but she wasn't the early 20s advertised, early 30s perhaps. But... attractive, petite, natural boobs.

### The Story:

No massage or shower - which is unusual. Started with a great blow-job / deep throat. Wet, deep, enthusiastic. I nearly came down her throat but saved myself. Enjoyed pushing my cock as far as I could get it down Leila's throat, and loved the sloppy sounds of sucking and slobbering and struggling with my big knob.

Then onto the sex. On with the condom and fucking - pussy, doggie and then a little lube and into Leila's very tight arse. Tight, resistant. I needed to be firm, but Leila was great, and in it went. Then deep, firm buggery. Leila kept her arse in the air and her shoulders down on the bed and I sodomised her rigorously. Deep and long thrusts, with Leila moaning and encouraging me on. I felt myself ready to come, so stood by the side of the bed with Leila kneeling in front of me making good eye contact, with her mouth open, looking up at me while I wanted off on her face and into her open mouth.

A bit of a clean up, a bit of a massage, then a second sucking off. Perhaps a little too vigorous - Leila's petite, so while it's great that she only just managed to wedge my cock into her open mouth, her teeth did rub a little on my shaft, especially when I was thrusting deeper into her throat. But good, and got me hard again. So on with a second condom and fucking... pussy only this time (I think I might have been a bit keen with the first bout of disemboweling). Finished up coming into the condom while fucking Leila doggie-style.

All in all, ?150 well spent.
