The Story:

I had seen Jets profile on a couple of websites. After much consideration I bit the bullet and called her up. Im not into skinny women so I was suprised when I stumbled across Jets profile. After a few conversations I made a booking, as Jet stated she was doing incalls at a local hotel. Jet told me how to get in to the hotel and I knocked the door. WOW she is even more stunning in the flesh. Jet was dressed in stockings heels and a sexy gown. As i got through the door Jet kissed me and made me feel at ease. We did the money thing so it was over and done with. Jet then started to undress me and sat me on the bed. My god Jet has the best nipples I have ever seen, so without hesitation they were straight in my mouth, god this woman is passionate. Jet lay me back and started to suck my balls and cock I had to stop myself coming staright away. Jet then told me to take of her pantys with my teeth this is where it gets even better. Im very fussy when it comes to womens pussys but beleive me I could of licked it all day. Jet was dripping, after some frisky oral Jet put on the condom and i bent jet over I couldnt contain myself anymore. This woman is pure sex appeal I so wish I could meet somone like her whilst I was out but ive never been this lucky.
