### The Story:

When you enter Kittens dioscretion is assured they keep punters seperate.

I seen a few girls as they came to see me and introduce themselves Julie is a dream come true for looks but thats as far as it goes she is European im not sure where she is from, i took my clothes off and she did too the initial price is ?45 plus ?15 for kissing owo and ro (apparently) I like to stand up and have a kiss and cuddle before anything else but she insisted i lie on the bed then she immediately used at least 6 wet wipes to clean my cock ( i had showered 2 hours before) but i can understand she might like cleanliness, then she put about 5 or 6 sheets of kitchen roll on the bed where i was lying I wondered what they were for then she started the owo and every time she touched my cock she wiped my cock clean it seemed like every drop that came out she had to get rid of instantly,,,,,,,,,,I paid the extra ?15 but no kissing on the lips, no fingers, it just didnt feel right she sucked me for a while and then put the condom on and kept sucking so what did i pay extra for ?.

Had uninteresting Cowgirl then left not impressed at all. would I return yes as i remember visiting here a long time ago and had a good punt (sorry i didnt report it)and seeing a lady who gave me an excellent service I told the lady in charge it wasnt the best she was a nice lady . Sheffield is brimming with cheaper places offeing the same service.
