### The Premises:

Savannah's flat is in the Merchant city part of Glasgow. My SatNav and Google maps had no problems finding the area what so ever. Savannah's flat is directly opposite several NCP car parks. There is ample parking, at the usual inner city prices. The entry to the complex and Savannah's flat is discreet and nondescript. Savannah's flat was spotlessly clean. There were the usual shower facilities to avail yourself if required.

### The Lady:

Savannah, oh my god Savannah..... It's not often that I'm lost for words, but now's one of them..... Savannah is approx 5'10" tall, she is statuesque, elegant, curves in all of the right places and all in perfect proportion. Savannah ticks all of the boxes, if you're a leg man Savannah has long slender shapely legs that go on forever. If you're a bum man she has one of the nicest, firm, round, bottoms you could ever wish to spank or just drool over and if you're a boob man she has the nicest pair of soft, yet firm boobs with the nicest pair of perfectly round nipples that are nicely sensitive and very responsive. Savannah is stunningly beautiful with piercing blue eyes and waist length, long glossy blonde hair and full firm lips. Her makeup (which I requested) was immaculate and her nails were newly manicured. Savannah was dressed exactly how I requested in her red, skin tight, latex dress with her red high heeled shoes and stockings. Although Savannah's pictures are very accurate, she is absolutely stunning and breathtaking in real life.

### The Story:

Prior to the meeting, the emails and the conversation was first class both before and afterwards. No emails written in text speak or broken eastern European English.

I arranged to meet Savannah at her flat in Glasgow. As I walked up the corridor Savannah opened the door and I was greeted with a warm broad smile, which was quickly followed with a very passionate hug and kiss once I was in the door. Once the paperwork was dispensed with we chatted for a short while. Savannah is one of the nicest and easiest persons to get on with I have ever had the pleasure of meeting. We chatted like old friends even though we had only met a few minutes before hand. There are some people who are easy to get on with then there's Savannah, she is in a class all of her own.

Wow what a body. Savannah has a nicely curvaceous body, nicely tanned, firm, well proportioned

bottom and long, curvaceous legs. Savannah has perfectly proportioned breasts, not too big and not too small, just right. Savannah is stunningly beautiful in real life and she has a stunning personality to complement her looks. Savannah exudes a fun, passionate, sexiness that comes with a natural confidence of someone who is comfortable with their body and their personality. This it isn't something that can be learnt or faked, either you've got it or you haven't and Savannah has it by the bucket loads.

Savannah is a very passionate kisser and likes to feel close to you. We swiftly moved to the bed. As I'm a gentleman and I believe that some things should remain private, so I'm not going to go into great detail, but suffice it to say we both had mutual satisfaction, several times and there was lots of laughter and enjoyment. Savannah has the most amazing oral skills, Oh my God does she have amazing oral skills. Savannah says that she likes giving oral and my god does it show, there wasn't a bit of gentleman's area that wasn't explored with her tongue.

Unfortunately I had to leave on time as I had to go to work, Savannah is not a clock watcher and she didn't appear to be in any hurry for me to leave. I was given a long passionate kiss and a hug before I left.

For me it's the little things that I notice, not once did Savannah call me 'Hun' or 'Darling', you know the time when you're just the next guy on the conveyor belt and the escort forgets your name so she defaults back to the safety net of a nondescript name.

Savannah is one of the nicest, friendly, intelligent, passionate and easy to get on with persons that you could ever wish to meet. Unfortunately I don't get to go to Glasgow too often but the next time I'm anywhere near the Glasgow Savannah is going to be the first person I'm going to call.

Please treat Savannah with the utmost respect guys. If you do you will be handsomely rewarded.

Thank you Savannah for an amazing time.
