The Premises:

Reported on many times. A little bit public entrance, but being mid week the street was not very busy. The place its self was very clean, carpets hoovered, clean towels and a clean shower. One of the best looked after establishments I have visited.

The Lady:

Tall and as per her photos on the web site. You would not be disappointed ;-)

The Story:

Sceptical that a ?40 punt was possible as listed on the web site, I had to visit and after seeing Jenna's photos I really had to visit.

Jenna was very accommodating and friendly. I had a very enjoyable 30 mins of the Massage Service. This I would describe as a tantric experince, at my request. Other extra services were offered, but in order to enjoy the experince longer I declined.

I asked about another service, for the next time I visit, that was not listed on Jenna's web page. She said she could provide the service, but was not the best at it. I liked the way she was truthful about her services and rather than provide a second rate service and take your money.

After such an enjoyable time with Jenna in such nice enviroment, I did actually leave Jenna with a tip. I did get the ?40 punt, but thought she was worth more.
