The Premises:

The walkup on the corner of Bateman street. She has a sign proclaiming the 'Biggest Boobs in Soho' which understates it really!

The Lady:

Busty, curvy green-eyed goddess. Huge natural breasts which are at least a ff cup.

The Story:

I've seen Laura many times before and enjoyed myself everytime. I know I'm going to be seeing her a lot more frequently now, though- I can't get her out of my head! She was a little too slim for my tastes before but now she has gained a little weight and she is now absolutely perfect imo! Always busty, she is now mega busty! Huge, beautiful natural breasts.

we really connected too. She has had some average reviews but I think the key is to see her regularly and to pay for longer than 20 minutes.

30 minutes allowed us time for some role play and teasing by Laura, which she is very good at. She has a wicked cheeky and sexy side.

I can't get her incredible body and sexy way out of my head. I fear she will drive me bankrupt!
