The Premises:

Typical budget hotel - easy access without having to pass reception.

The Lady:

Ultra slim. Stunning girl with dark eyes and perfect physique if you like petite slim girls with small boobs. Very pretty and clean shaven. Mady is Spanish but has decent enough English.

The Story:

Mady advertises that she offers a full GFE with OWO, FK etc. However, when I asked dshe claimed to have a "sore mouth" and would only kiss lips closed and oral was with. While I feasted on her sweet pussy she lay eyes closed and seemed to enjoy it with little moans of pleasure. However, when it came to her oral on me and full sex she kept eyes closed or looked away. I am not that bad looking - honest! And when I started on sex in mish she complained it tickled! So it was finish in doggy as that was all she seemed to want.

A shame as she is a lovley looking lass. Also, when I went to use the bathroom at the end, her friend was sitting in there. They obviously work together. Some people might find that off putting though.

I beieve thes girls ply their trade in hotles around the country and do not stay more that a week in one place.
