The Premises:

Ground floor flat in Holland Road. Easy to find, plenty of parking, clean and functional with a pleasant atmosphere.

Not exactly 5-star, but that was the only detail of the visit that wasn't!

The Lady:

Very attractive, slim, 34DD. About 5'4", lightly-tanned skin (- mixed race, actually), sparkly brown eyes and very kissable lips.

The Story:

Everything I could have wished for - and more! As well as being very sexy and responsive Ella is a genuinely lovely girl. Good communicator, easy to relate to - more of a GF than a GFE!

After a glass of wine as an ice-breaker (ice melts very quickly with Ella!) we moved seamlessly and naturally into what was a most memorable session together. Everything happened so easily it was hard to believe we had only met just a few minutes earlier.

Without going into too much detail - other than to comment on her passion and enthusiasm - all I will say is that Ella is just a natural lover! Was it genuine? Well, you can't fake those ice cold lips at the height of passion!

A truly lovely experience - can't wait to see her again!
