The Lady:

Stunning, a real pocket rocket, you will not be disappointed.

If you like your girls with olive skin, dark hair and with the best arse you can imagine, then this is the girl for you.

Nichole is around 27ish, and id say a size 6-8 with a lovely set of firm olive breasts to go with this fine fine body

The Story:

Delete all your numbers for Chester guys, Nichole is the only number your going to want to have after you visit her once.

Ive seen Nichole a few times now and shes absolutely knockout, shes go to be Chester best experience at the moment.

The whole package is five star, dont be fooled this girl can hold a conversation as well as deliver physically.

Nichole offers most things during the time with her and im sure you can arrange all this on phone prior to your visit although i didnt turn it into a chatline conversation.

I dont want to go on and on in this report but if you only try one girl from Chester then my advice is give Nichole a call.
