The Story:

I probably disappointed Charlotte when first we met. I had initiated email correspondence and after various exchanges, we set up our meeting.

I turned up, but had asked her to have a warm bath run, to thaw me out from the cold weather. It was raining when I arrived and I asked Charlotte to join me. What I had not realised was that she had gone to a lot of trouble and was dressed underneath in lovely lingerie for my benefit. So I am afraid her thoughts of a sweet seduction were cast aside along with the lingerie as she got in with me for some mutual soaping and soaking..

After I had warmed up somewhat we repaired to the bedroom. Although it was our first meeting, Charlotte was very friendly, could converse on a number of topics, was very happy to indulge me and gave me a wonderful time without reserve.

When I left her, I had a big smile on my face and I would thoroughly recommend that you pay her a visit
