The Premises:

A ground floor flat near Blackpool town centre. A bit run down but ok for the purpose. Able to park on the drive and go in through side door. Felt very safe in daytime.

The Lady:

Candy is age about 30, nice big firm tits but not all her own. Very tight pussy. She is about 5ft 5 in tall, a bit overweight but nice looking.

The Story:

We first started with kissing, then moved on to her giving me a good blowjob she knows how to do that well. Candy then sat on my face and I Pushed my tongue up her pussy and licked her clit for ages. I spent a good time licking her and kissing her all over. We played around a bit then had sex in cowgirl, doggy, then finished in mish. I will return soon.
