The Premises:

Previously reported: Not far off J2 M54 above a rank of shops. Slightly exposed but I wasn't waiting at the door long.

The Lady:

Mid 20's, quite tall (5'7") long blond extensions, smallish boobs, size 10 and very attractive. She appeared slightly shy which I liked :-)

The Story:

Was offered a choice of 2 girls, the other being Tyra who looks very good too. Opted for Natalie mainly because of the shyness mentioned above. We agreed on a ?60 all in GFE inc OWO, RO, kissing etc.

Natalie was back in the room before I was completely undressed, she offered a massage which was pleasant and allowed time for a bit of a chat. After that, she lay down on the bed for some kissing, not DFK but pleasant nonetheless. We got her out of her bra and I spent some time on RO. Natalie still had her knickers on at this point(I quite like this) but she kept tugging them to one side to give me better access. Not so shy I thought :-) It took a while but perseverance with the tongue and fingers finally brought her off. No doubts about it being real either!

Then she started OWO. Certainly not deep but I wasn't complaining. What was nice was that I asked to change position so she was kneeling on the bed and I was standing beside it. That way I could push into her mouth a little more. She gradually accepted more cock as time went by and I got the distinct impression that she's a bit submissive. She doesn't do CIM though.

After a while we went for Mish. Just before she asked me to "be gentle" as she small. She is too - VERY tight! I was scared of hurting her. The knock on the door came so we finished with a hand job over her boobs.

Natalie's gorgeous. Not only young, sweet and pretty but fun in bed and can hold a good conversation too. I really liked the shy, girl next door, submissive thing and will return as often as possible.
