The Premises:

Was in one of the old buildings in five way, perfect city centre location with free parking which was a bonus, was very discreet. I was amazed at the standard of this place very clean and plush, gentle music playing, and the room decor and soft lighting all add to the atmosphere and experience. I think because so much attention to detail as be made to the bedrooms, I think some big mirrors would have been a nice touch.

The Lady:

When I made my appointment I was given a very good description of the girls by the receptionist, to be honest I would have preferred to have viewed the ladies, but I guess its not the way they do things. Any way after looking at the pics on the internet I decided on Reena. An guys this girl is a pure beauty, I'm am so glad I made an appointment as I would have been disappointed if I had missed out on this girl, as I did try and extend my time but was unable to as she was fully booked

The Story:

Woww what can I say, I was greeted my Reena, who looked amazing in her saree, before I had a chance to take of my clothes, Reena started unbuttoning my shirt and undress me, who was I to stop her, it was a real turn on (my previous experience at other establishment although nice, I was always told to undress while the girl disappears with my money) she then offered me what she called a sexy shower, I just went along with the flow, while in the shower well all I will say is she was very naughty. While in the bedroom Reena started massaging me and not just your slap your back a couple of times massages, a proper stress relieving massage, which really helped relax me as I was a little bit nervous to be honest, don't know why as reena made me feel like a king. Afterwards all I will say is that I went to heaven and back a true gentleman never disclose what he does with a young lady, but guys all I can say is I was pampered and spoilt. I wish I could have lasted longer than three times (may as well take advantage of the unlimited service) as Reena was so up for it, anyway I left with such a smile. My only disappointment is tried to book with Reena again today to be told she is of for a week now.
