Details of Service Provider:

The Premises:

One of the better walk ups in my memory, clean room, going up and down the stairs are a little noisy for those who aim to keep a low profile,

The Lady:

Very pretty Thai girl, slim and very busty for a Oriental girl. Spoke decent enough English to be understood.

The Story:

I havnt been to a Soho walk up in some time, and as i was in the area i thought why not,

I paid for just French and Yaya gave a great blow job, she looked up at me and asked if i wanted to fuck, i didnt know if i had to pay extra or not as the price board has change to higher prices since i had last been there So i opted not to, and just continued with the BJ, as i got close she stood up and started to kiss me while i wanked/rubbed my cock against her pussy

a very enjoyable session and next time im in the area i intend on seeing her, she told me on the way out that she works every Monday.
