The Premises:

A small house close nearby to the Underground station, actual room is clean and very spacious. As a regular to this place im often invited to wait inside by the "Maid" the front room itself is a bit messy. This place has a different girl each week from what i gathered,

The Lady:

a very pretty Japanesse girl with a very small frame, and medium size breasts, maid described them on the phone as double D's im not to sure, she has smooth silky hair, and a neatly trimmed pubic hair,

The Story:

Ive seen Mimi a couple of times at this place, and each time its been a very sensual experience, lots of kissing starts with small pecks on the lips and then actual tongue sucking, and full on deep french kissing, She gives a great covered blow job (you can pay ?10 extra for Oral Without) lots of eye contact,

We have had sex in multiple positions, but most commonly her on top riding, and then leaning forward to kiss, and missionary and again lots of kissing while she wraps her legs around you.

the first time i saw her i came twice with a massage in between, but the next couple of times i came once had the massage and just laid next to her and cuddled and kissed her,

She doesnt speak a great deal of English, but always asks if im happy,
