### The Premises:

Nice safe area, only about ten minutes walk from Angel tube.

Nice comfortable and bright flat, would love to live there!

### The Lady:

Lovely slim lady in her late twenties, about 5'7", dark blonde with highlights. Gorgeous squeezable bottom with lovely shaped breasts.

### The Story:

Lucky me, had a day off from the usual Monday morning work shock to the system. I thought I'd treat myself and visit Ela as she's not too far from me. Followed her directions from the tube to a flat within a nice terraced building.

There was the brief moment waiting at the door to the flat, which opened to reveal a smiling Ela, standing in a very short and sexy black dress. Wow, was I impressed, that dress was most flattering and revealing, showing a teasing glimpse of her breasts and a black thong underneath. I struggled to compose myself and keep things under control within my trousers!

She has a nice warm face and greeting, with a sexy accent.

I just had to watch her lovely backside as she walked to the bedroom, it was just begging to be grabbed!

She offered me the customary soft drinks and we chatted for a bit, but I found her simply irresistible and moved to kissing and fondling her pert breasts. One thing led to another and we stripped, put the little mac on and she gave me some lovely oral which brought me to climax. We then moved onto 69. It brought my soldier back to attention and seemed to make her very eager too, for she then jumped onto for cowgirl. After a while we switched to doggystyle, she was rubbing her clit whilst I was penetrating her. I had to spank her bum which she seemed to enjoy. I could feel her vagina squeezing tighter and tighter and incredibly, judging from her moaning, she seemed to come, which pushed me into coming too!

We fell back onto the bed satisfied. We relaxed and chatted for a bit more. Ela then offered me a

shower which I gratefully took.

It was so wonderful that we just seemed to click.

It was lovely being with her and I hope to be back soon, again and again.

Highly recommended
