The Story:

I found this Vanessa on ** and it was her photos that caught my eye - I thought she was a model, too good to be true. You have to look at her photos to realise how lucky you are to have a chance to play with that amazing body. I was so skeptical I did some checking, found her web site, made myself feel confident I wasn't being scammed. On arriving I was soon put at ease and she is exactly as in her photos, totally gobsmacking. Started with some petting, soon discarding clothes and she went down on me with a very teasing and erotic OWO and I blew my load into a very grateful mouth. Brief break and she got me going again and we tried half a dozen different positions - and she looked amazing from all angles. Finished by cumming on her fantastic boobs. I don't think I'll be seeing any other girl for a while. Unforgettable.
