The Story:

Jodie is back! Yes, Jodie who worked near Trent Bridge for several years and was one of the top reported girls on this site in the whole UK! Saw an ad for 'jodie' by chance in the local paper and rang just in case, and it was her, although she's only back for a short time. Went to visit her to see if she was still the best- and she is! She still does the most soft and sensual massage and responds with lovely noises and movements when her lovely soft skin. Her oral skills are still the best I have ever experienced and she still loves sex! Great to see her again and a wonderful time that brought back many happy memories.

While there I met another girl, Amy, lovely slim figure and long thick hair, Jodie says she's new to the business, and very willing. Maybe I'll go back one day when Jodie's not working?
