The Premises:

Nice flat in a small block about five to ten minutes walk from Ealing Broadway station. Looked a good safe area.

Some may feel a little exposed at the entrance.

The Lady:

Very slim and slender lady in her early twenties, I'd judge her to be size 8 or even 6! Lovely long blonde hair almost reaching her hips. Lovely breasts, neither obscenely large nor pitifully small but just the right shape and size.

The Story:

Thought I'd be a naughty boy and grab some action before work. I had planned for an hour of fun but late running trains conspired against my best efforts.

I was given good directions and found the flat easily enough. Did feel a touch exposed at the entrance for that minute wait at the door which feels never-ending with all eyes on you. Maybe I'm just the paranoid sort.

I was very happy to be welcomed in by this beautiful lady in her casual top and jeans, which I found quite attractive, a nice change from the heels, stockings and mini-dress.

Apologised once again for my running late and agreed to a 30 min quickie. She had a clean, comfortable room which was fit for purpose.

Chatted from a few minutes and I just had to hold onto her beautiful slender waist as we talked. Somehow went from chatting to Joanna sinking to her knees and giving me a most delicious bj whilst I was still standing. Quickly jumped onto the bed, stripped and went into doggy. I'm usually able to hold back for some time but the sight of Joanna's rear pounding into me as I fondled her pert breasts tipped me over the edge.

We small talked and giggled for a bit. I found her to be a most pleasant and mellow, laidback young lady.

Saw the clock was ticking so went off to the neat and clean bathroom to make myself neat and clean for work.

Chatted a little bit more, made my excuses and left for work with a smile on my face.

My only regret was not having more time to spend with her, yet there was no feeling of being rushed during our 30 minutes.

I hope to visit her again real soon, lovely lady with a great attitude.
