The Premises:

Safe, clean 5-storey house at the quiet end of a busy street (past where the shops are). Was shown to an attic room with sharply sloping ceiling. On the non-sloping side there was an en-suite bathroom.

The Lady:

Hungarian BBW in her early 20s with an attractive face and huge - if slightly droopy - breasts. Phone communication was good but evidently with a different girl as Kathy's English is very limited. A-levels available for an extra ?20 - which I declined.

The Story:

Started with hand relief to get me hard, then OWO with Kathy first requesting me not to finish in her mouth. Not much chance of that as the OWO was brief and a condom soon applied.

Kathy went on top but she's a big girl in every sense and I slipped out a couple of times, so we turned over and continued in mish. This was quite pleasant but Kathy didn't get very involved, just lay back and thought of Hungary so to speak. I kissed her neck and cheeks but was denied access to her lips.

Didn't want to cum too soon so I withdrew and went down on Kathy for a bit, then had a play with those enormous tits. Repeated this cycle (mish, RO, breast worship) and finished with a tit-wank, spunking in her ample cleavage.

Didn't look like Round 2 was on offer but I wasn't overly bothered.

Recommendation is borderline but I'll give her the benefit of the doubt. Won't be returning for more as it was all a bit lacklustre and mechanical, but perhaps future punters will get more out of her if they push the right buttons.
