The Premises:

very clean and hidden away Safe location nice and easy to find, place was spotless, nice and comfortable with everything you will need.

The Lady:

jj is a petite green eyed stunner every part of her glows she has a bum so sexy its hard to know where to look.jj doesn't only look good she knows how to talk and joke around.redeeming features i could not choose but given venus or jj i would choose jj.

The Story:

From the smile when i arrived to the one when i left it was a superb experience. From tantalising tease the touch of a feather through body to body to body jj knows what she is doing and where to go to make you feel out of this world.

Treat her like the lady she is and you will not be disappointed

Thanks for a great time jj and see you again very soon xcx
