The Premises:

A room under a shop, set up as kitchen but with a bed. Strange but warm enough which was important on a cold, wet morning.

The Lady:

Sayuri is Japanese, I'd say late twenties, perhaps size 8, about 5' 2" with 32C, possibly D, natural breasts. Must remember to take a tape measure with me. Attractive, friendly young woman.

The Story:

Agreed the price which included FK and OWO. CIM is extra ?20.00. Lay down and she applied lube to my bum which she then proceeded to massage with her tits. I thought - this is going to be good! Plus her fingers down the bum crack. Turned over and lube all over my balls which were thoroughly massaged by her tits. Into oral and then she went into 69. On with the condom then her on top then me on top till we came. Cleaned up and a bit of shoulder/head massage and a chat. Offered my some mouth wash - knew the kitchen sink would come in handy!

Her English is not that good but I could mostly understand her. Told her I would be her "sensai" (teacher) for English. Was a good session and the massage certainly a bit different. She's not at this location all the time.
