Website: <http://www.brooklynsbabes.com>

The Premises:

Brooklyn's - well reported on - I used the car park at the back this time and you can get in via the car park up a metal staircase - more discrete than using the front entrance for those concerned about these things.

The Lady:

Short, slim, well-proportioned with nice pert breasts. Very friendly and chatty

The Story:

Taylah walked in as I was in the shower and I could see I was going to be in for a nice time. I chose to see her on the phone as I wasn't sure about the other two ladies on offer and I definitely made the right choice. Taylah's service is first class - everything is on offer and no part of her body is off limits. Everything is done with enthusiasm.

A nice thing about Brooklyn's is they have mirrors in the room and watching myself being sucked off by Taylah whilst sitting on her chest, then shagging her in doggy was great after having been in a few places where this facility is not available.

Taylah's profile indicates that she offers a wide range of services and in 30 minutes I was not able to avail myself of half of them, so it will have to be longer next time!
