Details of Service Provider:

Company: The Palace

The Premises:

The Palace (if it's still called that) has moved again to a street neare to the City Centre (Archibald Street). It's not bad and has reasonable rooms with mirrors but still no shower, only a bath with shower attachment, which has been a drawback of previous locations.

The Lady:

Jodie is mid-twenties, petite and very cute.

The Story:

This is the third time in all I have seen Jodie and her service just gets better and better. She comes across as being a bit shy but there is nothing shy about her service. I don't think I've yet discovered everything she offers as there is no website but kissing, anal, RO, OWO are all available (anal is extra). I have not yet entered her nice, tight-looking arse - i'm saving that pleasure for a later date. I am becoming very fond of Jodie - she makes you feel very special and I just wish i could see her more often.
