### The Premises:

The town-house in central MK - easy to find with expensive parking nearby or cheaper further away if you're prepared to walk a bit.

### The Lady:

Pixie is a gorgeous young Bulgarian who is slim and perfectly built. Fantstic breasts but really her whole body is just perfect.

### The Story:

Having showered in the somewhat cramped (but perfectly adequate) bathroom whilst listening to some other bloke going hard at it in the room next door (the walls are fairly thin!) I waited for Pixie to arrive and was delighted when she walked in and did a sexy strip for me. Then on to the bed for some great uncovered oral and I then availed myself of her pussy - she won't allow fingers inside but I gave her a vigorous licking which she seemed to enjoy.

The on top for some great shagging in mish whilst snogging - her kissing is good but she did seem to bite my top lip a few times, maybe to stop me kissing her too much, but it did end up a bit sore.

All too soon it was over and Pixie waited whilst I showered and saw me out.

This was my first time at Annabels and looking at their website and seeing the other reports (there is hardly ever a bad one) I will be returning although for all Pixie's charms it will probably be to see someone else.
