Something for everyone. Melody (gorgeous young black girl with the most amazing legs I've ever seen), Jackie and Diane (more mature ladies for the discerning guest) and Sarah (Spanish or Brazilian I would guess - very horny, very pretty and very friendly)

The Story:

2nd time I've been to Pam's Parties. Can safely say that it won't be my last! I like these parties because they are fantastic value and have a nice relaxed vibe. Pam sits around chatting with you and you can help yourself to food and drink.

Playrooms are upstairs and are well stocked with condoms and lube etc.

Girls were lovely and all worked hard to make sure you had a good time.

Has two amazing DP sessions with Sarah who was incredibly horny and fun and seemed to love nothing more than having one cock in her bottom and another in her pussy.

Also had two brilliant sessions with Melody who really has amazing legs and lovely smooth skin. One session was just me & her with Melody giving a lovely BJ followed by sex in missionary position. The other session was just as fun and ended with me sliding into her pussy from behind whilst another lucky guest had his cock sucked!

I was also told by the other guests how good Jackie and Diane were although I didn't play myself.

There were only about 6 guests so very little waiting around. Having said that, the previous party I went to had about 10 to 12 guests and I still didn't think the waiting around was excessive. You do have to wait around to see a girl sometimes but you've got 4 whole hours so plenty of time to see all the girls you want whilst relaxing inbetween!

Pam told me she does try to make sure the ratio is no more than 3 men to 1 girl and arranges for extra girls to attend if need be.

Overall a brilliant experience. I'll be back!
