### The Premises:

Well reported establishment, easy to find parking nearby. I must confess to feeling conspicuous walking to the house because of the noisy gravel driveway.

### The Lady:

Statuesque beauty, nicely toned and tanned. Nice proportional sized breasts, and physically faultless in all departments. She was sporting a very up to date hairstyle, with short and long bits, and blonde and dark streaks.

### The Story:

Lucinda told me she was from Hungary. She has a slight accent, which was quite nice, but by the time we got down to it, she had asked me if I was all right (in that London expression - "you all right babe?"), at least 5 times, so it was starting to annoy me.

While Lucinda was very lovely to look at, and also very enjoyable to have sex with, I was disappointed by her lack of compliancy. For example, DFK, CIM, anal play and completion anywhere on her body were suddenly off the menu. She wasn't prepared to do any of those for the standard 80 quid for 30 minutes, and implied that they might be possible if more money were handed over. My previous punt was at this same establishment, with the lovely Claudia, and she was quite happy to allow these services for the 80 quid.

So, I'd go back to see Claudia, but Lucinda has blown her chance of any repeat business from me.
