Garden flat that can be accessed from the outside. Nice large room with a clean bathroom that she shares with some girls.

The Lady:

Very cute petite Russian girl looks far better than her pics.

The Story:

Carolina is on a number of websites but at the Kiss Kiss site her face is not visible. However, if you recognise her from any other site she is stunning in person and the pics don't do her justice. She has a tiny tiny tattoo just below the shoulder on one of her arms - I don't like tattoos though this one was barely noticeable so wasn't an issue for. I had initially requested an outcall but Kiss Kiss wasn't able to accomodate so made the effort for an incall. I am not partial to incalls as the experience doesn't seem as real as having the lady visit your home. Carolina doesnt offer DFK but made up for it with one of the best OWO I have experienced to date. Followed this by sex in various positions with her incredibly tight and petite body. I would recommend even though she was a bit businesslike as her beauty and skills compensate for the same.
