The Premises:

The road is easy to find, though the numbering can catch you out first time - discreet and pretty quiet. The bedroom is clean, tidy and filled with equipment. There was a punishment video playing quietly, which added to the atmosphere.

The Lady:

Summer's pictures give an indication of her cool beauty, but cannot hope to express her sparkling personality, sexiness and warmth. Summer has a slim figure with the right curves in all the right places. Plus she has enticing eyes and lovely smooth skin. (I could go on!)

Summer was wearing a white shirt, cute white bra, blue pleated skirt, white panties and white over-the-knee socks.

The Story:

This was the second time that I had seen Summer, the first time being in November 2010. I had fond memories of that meeting and Summer lived up to them, and more. Summer was wearing the school uniform as I had requested. I asked if she had a shorter skirt and it was no trouble for her to change. In fact, throughout my time there Summer asked me if I had any requests/urges(!). This review will not be full of the punishments dished out to a submissive girl as this is not the reason I saw Summer. I did give her a few spanks and a couple were harder than on my first visit, but I mainly appreciate the softer side of such meetings. Summer quickly put me at ease and we sat on the bed to chat. If you like to chat, Summer is a great companion, though I did find out that you can quieten her by softly stroking her back or licking her pussy.

We touched, caressed, kissed ? and I undressed her. A few spanks with panties on and a few with them off. I felt a bit silly because I didn't know which part of Summer's body to pay attention to; that may sound corny but it's true. Summer's kissing and soft playing with me were wonderfully arousing. I could write at length about this part of the session, but there are mags and books by much better writers than me about such sensual experiences.

We went to the bathroom for a bit of ws (both ways). I don't think that either of us produced as much as we anticipated but at least on my part I didn't mind ? anything done with Summer is fun. Back in the bedroom Summer gave me hand relief. She commented ?You needed that!? when I

came. It is down to Summer that I reacted so well!

I am sure that Summer is excellent at any LSG services. I know that she is perfect for a novice.

Even if you don't get into the submissive/punishment acts, Summer is a total delight to be with.
