The Premises:

Kama was staying in a local hotel, the room is clean & tidy.

The Lady:

She is so much better in the flesh than in any of her pictures that you can see on the internet. She is about 5'2 tall with I guess a size 8 body, 32 a or b breasts & a bottom to die for. You can tell she looks after herself by how tight & pert her sexy little body is! She was wearing very sexy red underwear but as I know myself she will always dress to suit your requests.

The Story:

Well this was my second meeting with Kama & even though I have changed my phone number since our last meeting once she saw me she started to speak about things we had spoke about before.

After we greeted each other & sorted out the paper work we sat down together like a couple of lovers who as not seen each other for a long time.

Whilst I will not go into detail about what we got up to but I must tell you that if you take the time & care with Kama you get it back 100 fold!

Please guy you don't find many people like her so please treat her with care & I hope to see her again soon & more after that!
