The Premises:

Slightly dull apartment in Central MK. Close to shops, and discreet.

The Lady:

Beautiful ebony lady with curves that go in and out in the right order. Didn't look quite as "upmarket" as I expected from her profile, but in no way was I disappointed with her looks, or size. Busty, full lips, and great rear end! Very sexy!

The Story:

Jayda had been on my "to do" list for some time, but was always very expensive and didn't always offer half hour visits. A special offer made it happen.

While Jayda looked great, and was very much "my kinda girl", the magic wasn't there. I should have picked up on her lack of enthusiasm when phoning, but went along anyhow. Kissing was very limited, and straight away it was out with the oil for a (admittedly very good) massage. Then I was turned over and on with a raincoat for oral. Again, no problems here as she knows what to do, and watching her use those lips was a sight to behold. I came. Then, after a brief rest she asks if I could come again, and with a positive response she proceeds to give me hand relief. So why wasn't I completely satisfied?

Well, she remained fully cloth throughout for starters, allowing next to no contact with her, and didn't offer a full service. So, she has the looks, she has the skills (what she did was good) but I left feeling very short changed, and that I hadn't got what I went for.

Can't honestly say I'd risk paying more to see how good she can be (I suspect, on the right day she could be great) and if I can't put my own money down, I can't honestly recommend that you do either.
