The Premises:

Very nice house in one of the best areas of MK, close to the railway station. Discreet, and the room has air conditioning!

The Lady:

Nicole is best described in one word, and that word would be beautiful. This was my second time to see her, and she is always immaculately presented with perfect hair and make-up. Size 14, and delightful. Great personality.

The Story:

Nicole is a gorgeous looking lady, who takes great pride in her appearance. She provides a very nice GFE-style service, and is a pleasure to talk to, cuddle, and have sex with. Very enjoyable.

The only negative (and its a minor one) is that she will probably leave you in the room alone for ten minutes before joining you, but then you do get a drink and, at her discounted rates, who am I to complain?

A great girl who provides a great service at a great price. What's not to like?
