The Lady:

Fake photo's have been used on the website. The only thing real is that she is petite and has a MASSIVE rack (real ones). Face wise, not the type of girl I'd usually go for if you catch my drift.

The Story:

Started off with some light banter and then after some massage, got down to business. BJ was a bit rough and it was obvious she wanted to get things finished and after a few positions and some fake moans (on her part), it was all done.

In terms of personality, I have no complaints. She was polite, friendly and bubbly. She left with no issues.
