The Premises:

Slightly tatty in places, but clean, and the room was fresh and welcoming. The entrance is in an alley, so reasonably discrete.

The Lady:

Fit, with curves in all the right places! Maria is about 5'8" (I think, but looked much taller in her heels), mid 20s (I would guess), and athletic build. She must turn a few heads on the street.

The Story:

First thing to state, the short duration was my fault, not Maria's!

She started with a back massage, which she adapted by using her (very nice!) breasts to stroke interesting parts of my body. When I turned over she used them on even better parts! She then asked if I would like oral: I opted for OW, as I was already very aroused!

After a few minutes of OW, she asked what position, and climbed on top for cowgirl. Wow, this was so good, that following the massage and oral I did not last for too long. Recently I have struggled to climax during intercourse (age getting the better of me?), but not this time: I exploded! Rather took me by surprise.

Maria is a lovely lady, who certainly put a smile on my face.
