### The Premises:

A ground floor flat just off the A3. However she is moving next week to a flat nearer the station/town centre and may not be working again until April.

### The Lady:

Ana is Polish about 5'7", slim with long hair and deep blue eyes probably early thirties.

### The Story:

The room was warm. Undressed, kissed, cuddled her and gave her tits some licking and sucking then went down on her pretty, smooth pussy for a while until she came. Then my turn for OWO and sex in mish/doggy/mish. She was tight. Cleaned me up and as there was some time left she was quite happy for a cuddle and a little chat. She's a freindly, intelligent young woman with good English.
