The Lady:

She is quite tall, with dark hair. She has a good body and is quite attractive facially, but not stunning. About 30 years old.

The Story:

Had very much a GFE. We had a long snog with groping and then OWO and sex in various positions. It was very pleasant. Unusually, she kept me going for the full hour more or less before my first pop, and there was no round two. No problem as it was all very natural and enjoyable. She is quite chatty and speaks good English. Very nice person.

I had intended to try A, but never got around to it. Again, no problem.

Incidentally, despite the name, she is actually Brazilian.
